

Three and Friends

What you need:

- ⦿ a game board (following 2 pages)
- ⦿ a die
- ⦿ a game character dog for each player

How to play:

Cut out the dogs below and make the stand-ups.

You could glue them to cardboard to make them stronger.

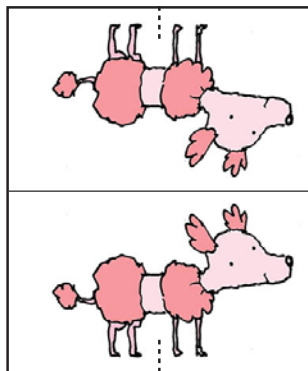

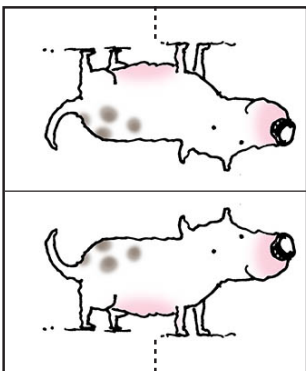

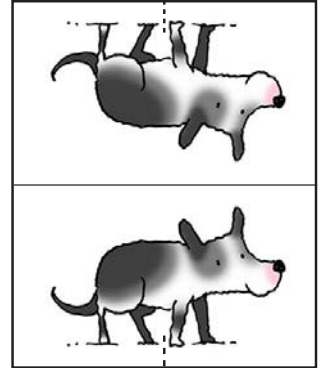

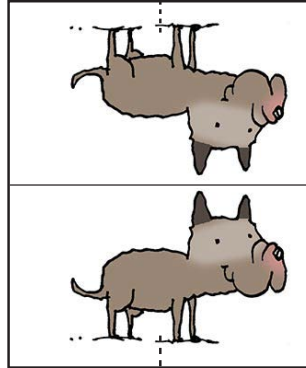

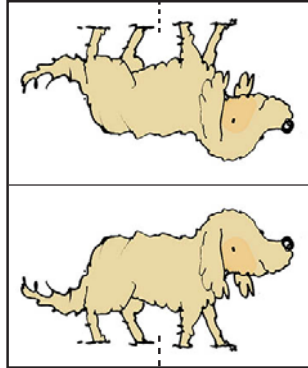

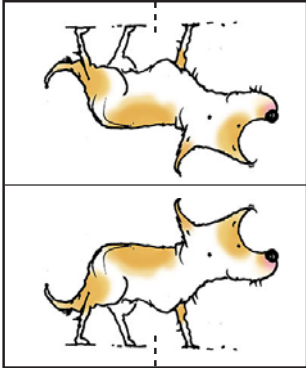

Take turns to roll the die and move your dog around the board.

Roll the exact number on your die to get to the park.

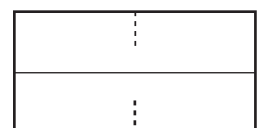

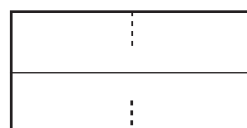

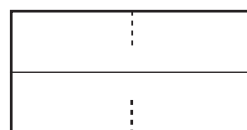

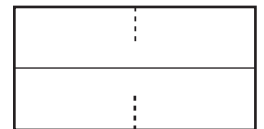

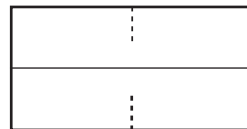

The first player to make it to the dog park is the winner.

Happy adventuring.
